	.
19:30-22.00	Dinner

## Day 2 Program

8:30-9:00	Registration/Coffee/Tea/Refreshments
9:00-9:15	<i>Brief reports from break-out groups</i>
9:00-9:30	Nelleke Aders: Linked Data at the Dutch House of Representatives. ( <a href="http://www.houseofrepresentatives.nl/">http://www.houseofrepresentatives.nl/</a> ).
9:00-11:00	Break-out groups.
9.30-10:00	Brian Lowe (Cornell University). Datastar Project

	<a href="http://www.springerlink.com/content/q0825vj78ul38712">http://www.springerlink.com/content/q0825vj78ul38712</a>
10:00:-10:30	Per Myrseth, Statistics Norway: Linking and Distributing Open Public Data, at Statistics Norway. ( <a href="http://www.semicolon.no/Medarbeiderne-E.html">http://www.semicolon.no/Medarbeiderne-E.html</a> )
10:30-11.00	Rutger Nugteren, Netherlands Institute for Public Health (RIVM): User's Perspective - Requirements for Tools and APIs. ( <a href="http://www.rivm.nl/en/">http://www.rivm.nl/en/</a> )
11.00-11.15	<i>Coffee/Tea Break</i>
11:15-11:50	Xavier Sosnovsky (ECB): SDMX web-services RESTful syntax and Linked Data URIs ( <a href="http://www.ecb.europa.eu/home/html/index.en.html">http://www.ecb.europa.eu/home/html/index.en.html</a> )
11:15-12:30	Break-out groups
11:50-12:30	Agustina Martinez-Garcia (Liverpool John Moores University UK): DDI, RDF, and Fedora – Archival Perspective. ( <a href="http://www.caret.cam.ac.uk/page/agustina">http://www.caret.cam.ac.uk/page/agustina</a> ).
12:30-13:30	Lunch
13:30-15:00	Topical discussions
13.30:15.00	Break-out groups
15.00-15.15	<i>Coffee/Tea Break</i>
15.15-16.00	Briefing results break-out groups
16.00-17.00	Discussion and conclusions
17.00	End

Note: Break-out groups will be identified as presentations and discussion are on-going. This is intended to be a working meeting – space has been provided for parallel working groups on specific subjects if this should prove beneficial. Only the existing SDMX – RDF group is specifically identified in this agenda.

Note: Discussion topics will be identified during the brief discussion following presentations. The topical discussions provide a space for further exploration of these points. Discussion topics could include such items as data provenance, identification (DOIs, URIs, etc.), linked data applications and tools and many others.

# General Information

## How to reach Tilburg University and the hotels

### By air

#### Schiphol Airport Amsterdam

When flying into Schiphol Airport you can reach Tilburg University by train (1 hour, 30 (or 35) minutes), by car (2 hours driving) or by air (KLM Cityhopper).

The train station and rental car pick-ups are in the airport terminal. KLM Cityhopper flights to Eindhoven Airport (30 minutes by car from Tilburg University) connect 5 to 6 times a day.

More information about [finding your way from Schiphol airport](#) to Tilburg University.

#### Eindhoven Airport

*regional, 30 minutes by car from Tilburg University*

When flying into Eindhoven Airport you can reach Tilburg University by car, taxi, or by bus (to Eindhoven train station, and then by train to "Tilburg West").

Rental car companies at Eindhoven airport are:

- [Hertz](#)
- Europe Car
- [Euro Dollar](#)
- [Budget](#)

#### Brussels Airport

*1.5 hours by car from Tilburg University*

When flying into Brussels Airport, you can reach Tilburg University by car, taxi, or by train.

### By train

#### **Local train**

Visitors travelling *by stop-train* (from Eindhoven, Breda and 's-Hertogenbosch) can take the 'Tilburg West' NS train station which is just minutes walking from Tilburg University.

#### **Intercity**

Travellers *on fast / intercity trains* need to get off the train at 'Tilburg Centraal Station' (downtown) and can reach Tilburg University from there by cab approximately € 15, [bus](#) (bus line 4), or a connecting stop-train to 'Tilburg West'.
